**For overdraft credit plans with a fixed Annual Percentage Rate:**  
The periodic rate and corresponding Annual Percentage Rate does not change.

The periodic rate and corresponding Annual Percentage Rate for this plan is a variable rate which can change monthly. (See your account agreement for details on how the Annual Percentage Rate is determined.)

We figure the interest charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances, and subtract any payments or credits. This gives us the daily balance.

The interest charge begins to accrue on the date an advance is posted to the account. The interest charge continues to accrue on the unpaid principal balance after the statement has been printed and mailed to you. There is no "grace period" or "free ride period" which would allow you to avoid an interest charge.

If you think there is an error on your statement, write to us at: BMO Harris Bank N.A., Attn: Billing Department, P.O. Box 365, Arlington Heights, IL 60006

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of Problem:* If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Credit information**  
We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Call us at 1-888-340-2265 for errors or questions involving Card transactions or electronic transfers, or write to BMO Harris Bank, P.O. Box 94019, Palatine, IL 60094-4019, as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent you the first statement on which the problem or error appeared. This is the information we will need in order to help resolve the problem:

1. Tell us your name, account number, and Card number (if applicable).
2. Describe the error or the transaction and the date of the transaction you are unsure about, and explain why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you also send us your complaint or question in writing within ten Business Days.

We will determine whether an error occurred within 10\* Business Days after we hear from you and we will correct any error promptly. If we need more time, however, by law we may take up to 45\* days to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within 10\* Business Days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If you fail to give us the required written confirmation of your complaint or question, then we may not credit your account or we may revoke the provisional credit we previously gave to you.

We will tell you the results of our investigation within three Business Days after completing our investigation.

*\*These time periods may be extended as follows. The applicable time is 20 Business Days in place of 10 Business Days for new accounts if the notice of the error involves a transfer to or from the account within the first 30 days your account is open. The applicable time is 90 days in place of 45 days if the notice of error involves a transfer that either (1) was initiated outside the U.S., (2) resulted from a Point-of-Sale transaction, or (3) occurred within the first 30 days your account is open.*

- 1 List and Total all outstanding checks including those still outstanding from previous statements.
- 2 Enter the "Ending Balance" shown on this statement.
- 3 Add deposits and other credits not shown on this statement.
- 4 Total
- 5 Subtract the total of outstanding checks as determined in Step 1 above.
- 6 This figure should be your checkbook balance. If it does not agree, review the above steps and if necessary, review your checkbook entries.
