In case of errors, or inquiries about your statement

Send your inquiry, in writing, on a separate sheet of paper so that Red Rocks Credit Union receives it within 60 days from the date the bill was mailed to you. Your written inquiry must include:

- Your name and account number.
- A description of the error and why (to the extent that you can explain) you believe it is an error.
- The dollar amount of the suspected error.

Send your written inquiry to:

Red Rocks Credit Union
8195 SouthPark Lane
Littleton, CO 80120
303-471-7625

If you authorized Red Rocks to automatically pay your loan from your share account, you can stop or reverse payment on any amount you think is incorrect by mailing your notice so that Red Rocks receives it within 16 days from the date the bill was sent to you.

You remain obligated to pay the parts of your bill not in dispute, but you do not have to pay any amount in dispute during the time Red Rocks is resolving the dispute. During that same time, Red Rocks may not take any action to collect disputed amounts or report disputed amounts as delinquent.

The balance used to compute the finance charge on open-end loans is the unpaid principal balance at the time of the transaction. On the date an advance is taken, the amount of the advance is added to the unpaid principal balance. On the date a payment is made, the finance charge and any late charges due are deducted from the payment amount and the remainder, if any, is subtracted from the unpaid balance.

This is a summary of your rights. A full statement of your rights and Red Rocks Credit Union's responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice.
