### IMPORTANT DISCLOSURES

#### Notify us in case of errors or questions about your statement

If you think your statement is wrong, or if you need more information about a transaction on your statement, write us on a separate sheet of paper at the address shown on your statement as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- Your name and member number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your statement that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

#### In case of errors or questions about your electronic funds transfers

Telephone or write us at the address on your statement as soon as you can, if you think your statement or automated teller machine receipt is wrong or if you need more information about a receipt or transfer on the statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and member number.
- Tell us the dollar amount of the suspected error.
- Describe the error or the transfer you are unsure about and explain, as clearly as you can, why you believe there is an error or why you need more information.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will re-credit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

#### Withholding Notice to those receiving periodic IRA payments

Payments from your Traditional IRA are subject to federal income tax withholding, unless you elect no withholding. You may change your withholding election at any time prior to your receipt of a payment. To change your withholding election, contact us at (262) 796-4500 for the appropriate form. Withholding from IRA payments, when combined with other withholding, MAY relieve you from payment of estimated income taxes. However, your withholding election does not affect the amount of income tax you pay. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are insufficient.

**Ownership of this account is not transferable.**
