IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR CONSUMER ELECTRONIC TRANSFERS AND CARD TRANSACTIONS

Reporting Errors: Call us at 800-341-9911 or write to P.O. Box 970, Eau Claire, WI 54702 for errors or questions involving Card Transactions or Electronic Transfers. You are responsible for promptly examining your statement and reporting any unauthorized payments or error in writing within 30 days of when the statement was provided. If you think that your statement is wrong or if you need more information about a transaction listed on your statement, we must hear from you no later than 60 days after we sent you the FIRST statement on which the problem or error appeared. This is the information we need for resolution:

1. Your Name, Account Number, or Card Number (if applicable)
2. A clear and detailed description of the error explaining why this is an error or why you would like more information
3. The dollar amount of the transaction(s) in question

If you tell us orally, we may require that you also send us your complaint or question in writing within 10 Business Days.

We will promptly investigate your concern and inform you of the results of our research. If our research requires longer than 10 business days you will receive provisional credit for the amount of the specified transaction(s) so funds can be accessed for the duration of the dispute.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your statement that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

Statement Reconciliation forms are available online at rcu.org/Forms, at any Royal Credit Union office, or by calling 800-341-9911.

APR = Annual Percentage Rate

Interest Charge on Open End Lines of Credit: The interest charge is calculated on an open end loan based upon the average daily balance of the account. The average daily balance is determined by adding to the previous balance (the outstanding balance at the beginning of the month) any new amount drawn from the line of credit and subtracting any payment received on the loan. All Home Equity Line of Credit loans are variable rate loans.
