To Whom It May Concern:

This is to certify that the MOMS Club of Cranberry Twp, PA (formally known as MOMS Club of Cranberry Township-S, PA), is a local support chapter registered with the International MOMS Club and that its members have agreed to operate their support chapter in a nonprofit manner in accordance with all national and state laws.

The International MOMS Club's group exemption number is #3706. This number is given by the IRS to certify that our registered chapters are nonprofit 501 (C)(3) public charities. Upon registering with the International MOMS Club, each chapter also applies for and receives its own employer identification number from the IRS. The chapter's employer identification number is the chapter's unique number for the IRS and banking purposes. It usually takes several weeks for the IRS to provide their number to the chapter. The chapter, however, is authorized to operate between the time of this registration (the date on this letter) and their receipt of the employer I.D. number from the IRS.

Matab Samali-Baumgartner of Cranberry Twp, is the President of this local chapter. She is authorized to speak and act on behalf of the members of this local support chapter.

Please contact us if you have any questions about the International MOMS Club or this local chapter.

Sincerely,

Jackie McHenry
