Your 990-N has been confirmed as accepted without issues. We have attached an informational copy of your filing to this email as a PDF.

Thanks for using Simple 990, we will let you know when it’s time to file again.

The IRS updates the public records search with newly filed Form 990-N records once per week, typically on Mondays including data through the preceding Thursday. Your filing will enter the public records search after the next such update occurs.

Reminder: Form 990-N reminder systems operate on the public records data set, so you can safely ignore any additional filing reminders you receive for the above accepted filing while waiting on it to enter the public records above. Please do not file again redundantly.
