IMPORTANT ACCOUNT INFORMATION

Effective August 19, 2019, there will be changes to Service fees for Overdraft and Returned Items.

We may assess an overdraft fee for any item we pay into overdraft, and we may assess a returned item fee for any item returned unpaid. We limit our overdraft and/or returned item fees to eight (8) per business day. We will not assess an overdraft or Non-Sufficient Funds/NSF fee on items of \$5 or less. If both your ending daily account balance and available balance are overdrawn by \$5 or less after we have processed all of your transactions, we will not assess an overdraft fee on the items. No overdraft fee will be assessed on ATM and every day (one-time) debit card transactions unless Debit Card Overdraft Service is added to your account.

Revised Agreement for Online Access

We're updating our Online Access Agreement effective September 30, 2019.

To see what is changing, please visit wellsfargo.com/onlineupdates.

Effective March 25, 2019, Wells Fargo announced its decision to discontinue providing payroll services to its customers through its Business Payroll Services (BPS) division.

Prior to March 25, your checking account was eligible for a monthly service fee waiver with a qualifying transaction from a linked Wells Fargo Business Payroll Services account that is funded from a linked Business Choice Checking account at least once during the fee period.

Although a qualifying transaction through a Wells Fargo Payroll Services account will no longer be an option to waive the monthly service fee on your account, all of the following options to waive the fee each fee period* will remain the same:

- Maintain a \$7,500 average ledger balance
- \$10,000 in combined business balances (checking, savings, time accounts and credit; see the Schedule for details)
- 10 or more posted debit card transactions (any combination of posted debit card purchases or posted debit card payments of bills) from this checking account. (See the Schedule for more information)
- Linked to a Direct Pay** service through Wells Fargo Business Online®
- Qualifying transaction from a linked Wells Fargo Merchant Services account***

Additionally, if you were receiving a monthly service fee waiver through qualifying payroll services transactions prior to March 25th, Wells Fargo will continue to waive your monthly service fee until further notice.

If you have questions, please contact your local banker or call the phone number listed at the top of your statement. We appreciate your business and look forward to continuing to serve your financial needs.

*We will waive the monthly service fee for each fee period that ends within the first 64 days of opening the account to allow you to meet the requirements to avoid the monthly service fee.

**The Direct Pay service through Wells Fargo Business Online® can be linked to one Business Choice Checking account to qualify for a monthly service fee waiver.

***A qualifying transaction from a linked Wells Fargo Merchant Services account is a payment card transaction (e.g., Visa®, MasterCard® or Discover® Network) from a Wells Fargo Merchant Services product that is deposited to a linked Business Choice Checking account at least once during the fee period.
