IMPORTANT ACCOUNT INFORMATION

Elimination of Returned Item (Non-sufficient Funds/NSF) Fee and Revised Daily Fee Limit: Under the terms of your Deposit Account Agreement, when certain transactions are presented for payment in an amount that is more than your available balance, Wells Fargo may either (1) pay the item into overdraft at our discretion and assess an overdraft fee, or (2) return the item unpaid and assess a Returned item/Non-sufficient funds (NSF) fee.

Effective June 1, 2022, we will no longer charge an NSF fee on items we return unpaid due to non-sufficient funds. Overdraft fees will continue to apply to items we pay into overdraft at our discretion, under the terms of your Deposit Account Agreement (up to a maximum of four fees per business day for business accounts). These changes do not impact fees that may be assessed by third parties or other banks for returned items.

For current versions of your Deposit Account Agreement, Business Account Fee and Information Schedule, and applicable addenda, please visit wellsfargo.com/biz/fee-information/.

To learn more about tools that Wells Fargo offers to help you avoid overdraft fees, visit wellsfargo.com/biz/help/faqs/overdraft-services, speak with a local banker, or call the phone number on the top of your statement.

Elimination of Overdraft Protection transfer/advance fee(s): Under the terms of your Deposit Account Agreement, we offer an optional Overdraft Protection service for checking accounts that allows you to link up to two eligible accounts (one savings, one credit) to authorize or pay transactions when you don't have enough money in your checking account. Transfers and advances of funds from these linked accounts may result in an Overdraft Protection transfer or advance fee.

Effective June 1, 2022, we will no longer charge transfer or advance fees for transfers/advances from accounts linked for Overdraft Protection. For advances from a linked credit card or line of credit account, interest will continue to accrue from the date of each advance. Overdraft fees will continue to apply to items we pay into overdraft that are not covered by transfers/advances from your linked account(s).
