

IN RECOGNITION

*The Parks and Recreation Commission
of the City of Corona, California,
is proud to recognize and congratulate*

MOMS CLUB OF CORONA CENTRAL

*for their donation of two baby changing stations at Corona's Circle City
Center*

WHEREAS the "Moms Offering Moms Support" Club of Corona Central was formed in 2002 and is a chapter of an international 501c3 nonprofit organization that supports stay-at-home mothers through relationship-building among moms and their children; and

WHEREAS the MOMS Club of Corona Central is committed to providing a forum for discussion and activities of interest and encouragement to mothers and to completing service projects that benefit children and families in the Corona community; and

WHEREAS, in September 2017, the membership of the MOMS Club of Corona Central voted to donate the funds needed to purchase and install two baby changing stations in the second-floor restrooms at the Circle City Center as their first-ever Legacy Project and hosted three activities to raise the \$2,502 needed for the project and installation of commemorative plaques reminding other moms of the support available through the "Moms Offering Moms Support" Club of Corona Central.

NOW, THEREFORE, I, CHAIRMAN Joe Almasy, on behalf of the Parks and Recreation Commission, do hereby acknowledge the MOMS Club of Corona Central for their partnership with the City for the installation of two baby changing stations.

PRESENTED this 13th day of February 2019.

A handwritten signature in blue ink, reading "Joe Almasy".

Joe Almasy
Chairman of the Parks and Recreation Commission
