IN CASE OF QUESTIONS OR ERRORS ABOUT ELECTRONIC TRANSFERS

In case of errors or questions about your electronic transfers or if you think your statement or receipt is wrong or if you need more information about an ELECTRONIC transfer listed on the statement or receipt, call or write us at the telephone number or address listed on your statement. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared. In your letter, give us the following information:

- (1) Your name and account number.
- (2) The dollar amount of the suspected error.
- (3) Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether or not an error occurred within 10 business days (20 business days if the transfer involved a new account) after we hear from you and we will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days if the transfer involved a new account) for the amount that you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint in writing and we do not receive it within 10 business days, we may not credit your account. An account is considered a new account for 30 days after the first deposit is made. If you are a new member.

If we decide that there was no error, we will send you a written explanation within 3 business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

FINANCE CHARGE CALCULATIONS

The FINANCE CHARGE for an open-end loan is computed by applying the periodic rate for each unpaid balance for the exact number of days each balance was outstanding. The balance used to compute the FINANCE CHARGES is that balance each day after payments and credits are subtracted and new advances or other charges are added.

BILLING RIGHTS SUMMARY

The following is a summary explanation of your rights to dispute or question bills for open-ended loan types.

In Case of Errors or Inquiries About Your Bill If you think your bill is wrong or if you need more information about a transaction on your bill, write us on a separate piece of paper at 5 Hillman Drive, Suite 100, Chadds Ford, PA 19317-9998 as soon as possible. We must hear from you no later than 60 days after we sent you the FIRST bill on which the error or problem appeared. You can telephone us, but doing nothing will not preserve your rights.

In your letter, give us the following information.

- (1) Your name and account number.
- (2) The dollar amount in question.
- (3) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the error you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

If you have authorized us to pay your OPEN-END Account automatically from your account, you can stop the payment on any amount you think is wrong. To stop the payment, your letter must reach us 3 business days before the automatic payment is scheduled to occur.
