Information Concerning Your Consumer Checking or Savings Account Statement

You Choose How TCF Handles Your TCF Debit Card Overdrafts. You can tell TCF if you do not want us to authorize and pay overdrafts on your consumer checking or money market account for your ATM and everyday debit card transactions. This choice does not apply to recurring debit card transactions or transactions you make using debit cards not issued by TCF. You can select or change this option by calling TCF Customer Service at 1-866-823-4472, or for hearing impaired (TTY) 1-800-343-6145. TCF charges a \$37 fee for paying your overdrafts. TCF does not charge a fee for declining ATM and everyday debit card transactions. We can change these fees at any time. For more information, call us at the number above, or see your account disclosures and the notice called *What You Need to Know about Overdrafts and Overdraft Fees*. You can get this at tcfbank.com or at any TCF branch.

In Case of Errors or Questions About Your Electronic Transfers. If you think your statement or receipt is wrong or if you need more information about a transfer on your statement or receipt, telephone us or write us at the phone number or address shown below as soon as you can. We must hear from you no later than 60 days after we sent you the FIRST statement on which the suspected error or problem appeared. Give us the following information: 1) your name and account number; 2) the dollar amount of the suspected error; and 3) a description of the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information. If you need more information, describe the item you are not sure about. We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. This time period is extended to 20 business days if the error involves an electronic funds transfer to or from your account within 30 days after the first deposit to the account.

In Case of Errors or Questions Not Involving Electronic Transfers. You must promptly examine your statement and notify us of any errors at the phone number or address shown below. For any errors that do not involve electronic transfers, we must hear from you no later than 30 days after we sent you the FIRST statement on which the suspected error appeared. Give us the information desired in the previous paragraph for us to investigate the suspected error. We will correct any error promptly. If TCF does not hear from you within the 30 day period, we are released from all liability for the transactions unless otherwise stated in your Account Contract.

Checking Your Preauthorized Credit Deposits. If you have arranged direct deposits to your checking or savings account at least once every 60 days from the same person or company, you can check to see if the deposits were made by calling the phone number on the front of this statement.

Your Right to Stop Payment on Preauthorized Payments. If you have told us in advance to make regular payments out of your checking or savings account, you can stop any of these payments. Call us at the telephone number or write us at the address shown below in time for us to receive your request 3 Business Days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We will charge you a fee for each stop payment order you give.

Checking Account Statement Delivery. You can choose the delivery method for your checking account statements. If you enroll for online statements, you will not receive paper statements. If you do not enroll for online statements, you will receive a paper statement. Depending on your account type, we may charge you a fee for paper statements. Additional fees may apply if you ask for check image copies with your paper statements. Paper statement fees do not apply to accounts TCF classifies as commercial relationship accounts. You can change your delivery method at any time.
