The information in this directory is to be used by MOMS Club members only and is not to be distributed to anyone for commercial or private use. Members that run home-based businesses cannot solicit sales from within the membership of the chapter. This is a firm policy in all MOMS Club chapters; not only because it is a bylaw, but also because it is in the best interest of the members. (See Solicitation Policy below)

**Members were part of the Germantown West Chapter when they joined & chose to remain in the chapter upon moving.*

Solicitation Policy

- Advertising may be purchased for the home business, according to our chapter advertising guidelines, in the designated classified section of the newsletter. The ads should not contain specific times/dates of evening gatherings to promote their businesses. The ads should just be a means for members to obtain more information.

-If a member is hosting a home party (and they aren't the seller) or having a garage sale, etc...it is okay for them to advertise this activity in the newsletter per our advertising guidelines.

-Home-based Moms may NOT advertise their businesses by announcing or soliciting at business meetings. They may, however, provide a catalog or information at meetings in designated areas only.

If you have additional questions about these rules, please contact the club President.
