## Important information about check holds

More money will be available if a hold is placed on your check deposit.

We will continue to make \$200 from your check deposit available the next business day after the day of your deposit, the remaining funds will be available by the second business day after the deposit is made. At times we may need to place a hold to verify funds are available. We have updated our policy to comply with the upcoming Regulation CC changes. Effective July 1, 2020 an additional \$25 (\$225) will be made available by the first business day after we receive your deposit.

We will also make more money available when it comes to larger deposits when you deposit these types of checks: federal, state and local government, cashier, certified, teller and Travelers Cheques. For these types of checks, we make the first \$5,000 of a day's total deposits available by the first business day after we receive your deposit, and starting July 1, we will increase that to \$5,525. For additional information, please refer to the Funds Availability Policy in the Terms and Conditions Agreement, available at [www.sbdanbury.com](http://www.sbdanbury.com).
