Transactions	0	50	0	0.50	0.00
Total service charges					\$0.00

IMPORTANT ACCOUNT INFORMATION

We're updating our Online Access Agreement effective September 30, 2020. To see what is changing, please visit wellsfargo.com/online-banking/updates.

Effective June 20, 2020, we are updating the Funds Availability Policy in our Deposit Account Agreement as follows:

In the "Longer delays may apply" section, when a longer delay applies, we are making the following changes:

- The amount of your deposit that may be available on the first business day after the day of your deposit is increasing from \$200 to \$225.
- We are changing the check deposit amount exception that may lead to a delay of generally no more than seven business days from "You deposit checks totaling more than \$5,000 on any one day" to "You deposit checks totaling more than \$5,525 on any one day."

In the "Special rules for new accounts" section, setting forth special rules that apply during the first 30 days your account is open, we are updating the amounts in the two bullets in the second paragraph from \$5,000 to \$5,525 and from \$200 to \$225 as follows:

- The first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks and U.S. Postal Service money orders made payable to you will be available on the first business day after the day of your deposit.
- The excess over \$5,525 and funds from all other check deposits will be available on the seventh business day after the day of your deposit. The first \$225 of a day's total deposit of funds from all other check deposits, however, may be available on the first business day after the day of your deposit.

Effective 05/22/2020, the Night Depository Agreement was amended to include: "Deposits placed into the night depository are considered received by us when the bag is removed from the night depository and is available to us for processing. We will credit the deposit to your account no later than the next business day."

No action is required on your part and there is no impact to the current night depository deposit process.

Reminder: Wells Fargo charges a \$5 fee for each Wells Fargo Debit, ATM, or EasyPay Card transaction at non-Wells Fargo ATMs outside of the U.S. or U.S. territories. Fees from non-Wells Fargo ATM owner/operators may also apply. These fees may not be applicable to all customers and may vary depending on the type of account you have. For more details, refer to the applicable fee disclosures for your account.

Effective August 17, 2020, the fee for stop payment requests on checks drawn on your account, or on pre-authorized (Automated Clearing House) items, will be \$31 per item. The fee may not be applicable to all customers depending on the type of account you have. For more details, refer to the Fee and Information Schedule applicable to your account.

General statement policies for Wells Fargo Bank

■ **Notice:** Wells Fargo Bank, N.A. may furnish information about accounts belonging to individuals, including sole proprietorships, to consumer reporting agencies. If this applies to you, you have the right to dispute the accuracy of information that we have reported by writing to us at: Overdraft Collections and Recovery, P.O. Box 5058, Portland, OR 97208-5058.

You must describe the specific information that is inaccurate or in dispute and the basis for any dispute with supporting documentation. In the case of information that relates to an identity theft, you will need to provide us with an identity theft report.

Account Balance Calculation Worksheet

1. Use the following worksheet to calculate your overall account balance.
2. Go through your register and mark each check, withdrawal, ATM transaction, payment, deposit or other credit listed on your statement. Be sure that your register shows any interest paid into your account and any service charges, automatic payments or ATM transactions withdrawn from your account during this statement period.
3. Use the chart to the right to list any deposits, transfers to your account, outstanding checks, ATM withdrawals, ATM payments or any other withdrawals (including any from previous months) which are listed in your register but not shown on your statement.

ENTER

A. The ending balance
shown on your statement \$

ADD

B. Any deposits listed in your register or transfers into your account which are not shown on your statement.	\$ _____
	\$ _____
	\$ _____
	+ \$ _____
..... TOTAL	\$ _____

CALCULATE THE SUBTOTAL

(Add Parts A and B)

..... TOTAL \$

SUBTRACT

C. The total outstanding checks and withdrawals from the chart above - \$

CALCULATE THE ENDING BALANCE

(Part A + Part B - Part C)

This amount should be the same
as the current balance shown in
your check register \$.
