### Be Alert for Fraudulent Communications

Emails, phone calls and text messages may seem like official PNC communications, but be careful: the message could be an attempted scam or fraud designed to look like an official PNC communication. Tell-tale features, hinting that the communication may be fake, are misspellings, grammatical errors, a sense of urgency, threats with consequences, and requests for sensitive information. One way to possibly spot a fraudulent email is to hover the cursor over the sender's email address, which should bring up a "mouseover" box containing the sender's actual email address. To report an email or text scam, forward the email or take a picture of the text and send it to [abuse@pnc.com](mailto:abuse@pnc.com). To report a phone scam, please call us at 1-800-762-2035, select 1 for a personal account or 2 for a business account, then select option 3. If you disclosed personal information, immediately change your PNC Online Banking password and call us at 1-800-762-2035.
