#### F. FUNDS AVAILABILITY

The FUNDS AVAILABILITY section of your current BSA is replaced with the following:

## **F. AVAILABILITY OF FUNDS**

### **1. General Ability to Withdraw Funds**

Our policy is to provide availability of funds based upon the deposit type and how your deposit is received. Until funds are available, you may not withdraw the funds in cash and we will not use the funds to pay checks that you have written, point-of-sale transactions, debit card, ACH or preauthorized transfers.

### **Determining the Availability of a Deposit**

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit during regular business hours on a business day that we are open, we will consider that day the day of your deposit. However, if you make a deposit after the end of a current business day, a Saturday or Sunday, a federal holiday, or on a day we are not open; we will consider the deposit made on the next business day we are open. Inclement weather, natural disasters, or computer or electronic failures may also affect the banking day and business hours.

Business hours and days vary by branch or facility location and are posted at our branches. Business days and hours for other deposit methods are outlined as applicable in the ATM DEPOSITS, MOBILE DEPOSITS, AND ONLINE, TELEPHONE, AND IN-BRANCH ELECTRONIC TRANSFERS BETWEEN BB&T ACCOUNTS sections. Business hours are subject to change from time to time at our discretion.

Availability depends on the type of deposit and is explained below.

### **Same-Day Availability**

Funds from the following deposits are available on the business day we receive the deposit.

- Wire Transfers
- Electronic Deposits
- U.S. Treasury checks payable to you

If you make the deposit in person to one of our associates, funds from the following deposits are also available on the same business day we receive the deposit:

- Cash.
- Generally, checks payable to you (First \$100 is immediately available)
- State and local government checks that are payable to you and if you use a special deposit slip available from the teller station in a branch
- Cashier's, certified, and teller's checks that are payable to you and if you use a special deposit slip available from the teller station in a branch
- Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you.

**2. ATM DEPOSITS.** Special rules apply for the availability of deposits received at Bank ATMs. At envelope free Bank ATMs, generally, all cash and the first \$100 of your total check deposits received before 6:00 p.m. local time will be made immediately available. For deposits received at Bank ATMs that require an envelope, generally, the first \$100 of your total deposits received on a business day will be made immediately available. The remainder of your deposit will be available as outlined in the General Ability to Withdraw Funds section.

For determining the availability of your deposits made at Bank ATMs, every day is a business day, except Saturdays, Sundays and federal holidays. If you make a deposit before 6:00 p.m. local time on a business day, we will consider that the day of your deposit. If you make an ATM deposit after 6:00 p.m. local time on a business day, on a Saturday or Sunday, or on a federal holiday, we will consider that the deposit was made on the next business day we are open. You should consult your transaction receipt for the exact posting date of any ATM deposit.

**3. MOBILE DEPOSITS.** Mobile deposits are generally available to you on the same business day we receive your deposit. For determining the availability of your mobile deposits, every day is a business day, except Saturdays, Sundays and federal holidays. If you make a deposit before 8:00 p.m. ET on a business day, we will consider that the day of your deposit. If you make a mobile deposit after 8:00 p.m. ET on a business day, on a Saturday or Sunday, or on a federal holiday, we will consider that the deposit was made on the next business day we are open.

**4. ONLINE, TELEPHONE, AND IN-BRANCH ELECTRONIC TRANSFERS BETWEEN BB&T ACCOUNTS.** Online, telephone, and in-branch electronic transfers between your BB&T accounts are considered deposits. These deposits are available to you on the same business day we receive your deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

For determining the availability of your online, telephone, or in-branch electronic transfers between your BB&T accounts, every day is a business day, except Saturdays, Sundays and Bank and/or federal holidays. If you make a deposit before 9:00 p.m. ET on a business day, we will consider that the day of your deposit. If you make a deposit after 9:00 p.m. ET on a business day, on a Saturday or Sunday, or on a federal holiday, we will consider that the deposit was made on the next business day we are open.

**5. OTHER ELECTRONIC DEPOSITS.** BB&T offers a variety of services that allow clients to process deposits such as Outside Transfer Service (OTS), INGO and Zelle. These are considered electronic direct deposits and are subject to the availability practices outlined in the **General Ability to Withdraw Funds** section in addition to the terms and conditions of the applicable service agreement. If you are registered with the Zelle service, deposits received through Zelle will be available to you immediately. A payment may be returned if it is determined that it was made in error or was the result of fraud. For additional information, please refer to the Zelle Terms & Conditions found within U by BB&T. Deposits received as a Real-Time Payment (RTP) will be available to you immediately. Funds received from a Real-time Payment will be considered a same day deposit if received prior to 9pm. You acknowledge that any RTP is governed specifically by RTP Operating Rules of The Clearing House in effect at the time of the transaction and can be found at <https://www.theclearinghouse.org/payment-systems/real-time-payments> (RTP Rules). You authorize the Bank, at any time, to debit your account in the amount of a RTP if we receive a proper Request for Return of Funds in accordance with the RTP Rules. A payment may be returned if it is determined that it was made in error, was the result of fraud, or was made in violation of applicable law or the RTP Rules. You are not permitted to receive a RTP in violation of this agreement and you may not accept any payment on behalf of any person or entity not domiciled in the United States.

## 6. Longer Delays May Apply

### Second Business Day Availability

In some cases, we may not make all of the funds from a check available on the same business day as the deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$100 of your deposit will be immediately available. An additional \$100 will be made available during nightly processing on the business day we receive your deposit, for a total of \$200.

If we are not going to make all of the funds from a check deposit available on the same business day of your deposit, we will notify you at the time you make your deposit. We also will tell you when the funds will be available. If your deposit is not made directly to one of our associates, or if we decide to take this action after you have left the premises, we will mail you the notice no later than the next business day after we receive your deposit. If you will need the funds from a deposit right away, you should ask when the funds will be available.

### Seventh Business Day Availability

Funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit. When a hold is placed for longer than two business days, you will not have any funds immediately available for use.

## 7. Special Rules for New Accounts

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the same business day we receive your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in

---

person to one of our associates, the first \$5,000 may not be available until the second business day after the day of your deposit. Funds from all other check deposits may not be available until the second business day after the day of your deposit.

ATM deposit functionality may be limited for temporary access devices issued for new deposit accounts.

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, IMMEDIATELY call 1-800-226-5228 or write to:

Fraud Management

P.O. Box 1014

Charlotte, NC 28201

Tell us as soon as you can, if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and deposit account number (if any)
- Describe the error or transfer you are unsure of, and explain as clearly as you can why you believe it is an error or why you need more information
- Tell us the dollar amount of the suspected error

If you tell us orally, we may require that you also send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you, and we will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or questions for ATM transactions made within the United States and up to ninety (90) days for new accounts, foreign initiated transactions and point-of-sale transactions. If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think is in error, minus a maximum of \$50. If we ask you to put your complaint in writing, and we do not receive it within ten (10) business days, we may not re-credit your account and you will not have use of the money during the time it takes us to complete our investigation.

Tell us AT ONCE if you believe your access device has been lost or stolen, or someone may have electronically transferred money from your account without your permission, or someone has used information from a check to conduct an unauthorized electronic fund transfer. If you tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, you can lose no more than \$50 if someone makes electronic transfers without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, and we can prove we could

have stopped someone from making electronic transfers without your permission if you had told us, you could lose as much as \$500. Also, if your periodic statement shows transfers you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days if we can prove we could have stopped someone from taking the money if you had told us in time.

### Important information about your Constant Credit Account

Once advances are made from your Constant Credit Account, an INTEREST CHARGE will automatically be imposed on the account's outstanding "Average daily balance." The **INTEREST CHARGE** is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid **INTEREST CHARGE**. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."
