Electronic Fund Transfers (Consumer Accounts Only)

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer listed on a statement or receipt, please contact us as soon as possible by visiting your nearest United Bank branch or by calling 800-327-9862. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared. You must:

1. Tell us your name and account number;
2. Describe the error or the transfer about which you are unsure, and explain as clearly as you can why you believe there is an error or why you need more information; and
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days. After we hear from you, we will determine whether an error occurred within 10 business days (5 business days for United Check Card point-of-sale transactions and 20 business days if the transfer in question occurred within 30 days of your initial deposit to that account, i.e., a "new" account) and will correct any error promptly.

If we need more time, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or foreign-initiated transfer) to investigate your complaint or question. If we decide to do this we will recredit your account for the amount you think is in error, minus a maximum of \$50, so that you have use of the funds during our investigation. If we ask you to put your complaint in writing and we do not receive it within 10 business days, we may not credit your account. We will tell you the results within 3 business days after completing our investigation. If we decide that there was no error or that the error occurred in a manner or amount different than you originally described, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If you think your statement shows transfers that you did not make, tell us as soon as possible. If you do not inform us within 60 days after the statement was mailed or made available to you, you may not get back any money you lost after 60 days. This will occur if we can prove that we could have stopped the transaction(s) with proper notification from you within the 60 days.
