## Happy Father's Day

From everyone at MOMS Club of Dearborn and Dearborn Heights,  
Happy Father's Day!

"I believe that what we become depends on what our fathers teach us at odd moments when they aren't trying to teach us. We are formed by little scraps of wisdom."

~ Umberto Eco

"My father gave me the greatest gift anyone could give another person. He believed in me"

~ Jim Valvano

## **Summer Open House**

We will be having our Summer Open House on Wednesday, June 5 at 3pm at Levagood Park. Please help us spread the word to potential new members by sharing the event page on Facebook, and by word of mouth. We will be at the park until 4:30 pm and are super excited to meet any and all new MOMS!

## **June General Business Meeting**

Our June General Business Meeting, being held on Friday, June 6 at 10am at Cherry Hill Park, is a very important meeting for the upcoming year.

We will be voting on Board Members and a number of other topics.

## **Father's Day Craft**

Be sure to join us at Whitmore-Bolles playscape and splash pad on Wednesday, June 12 at 10:30 am. We will be enjoying the sunshine and making a one-of-a-kind gift for those father's in our lives.

## **Moms Night Out**

We will be meeting at Jess' house for a night of MOMS, movies and fun!

The gathering will begin at 7pm. Please come as you are and BYOB.

If you have any board games you would like to play, feel free to bring them along. There is no super set game plan (other than getting together with friends, sans children) so the more options the merrier!

### Materials:

paint \* Ziploc bag \* tape  
\* picture frame \* cardstock

- 1) place cardstock and a few drops of paint into Ziploc
- 2) tightly seal bag (tape opening just to be sure no leaks happen)
- 3) let child push paint around
- 4) remove cardstock from bag and scrape off any globs of paint
- 5) let dry, then cut paper to frame size
- 6) cut second cardstock page into desired shape (to act like a picture mat)
- 7) write special note to Dad on second cardstock
- 8) put pages together and frame!
