In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of the problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

- Within 60 days after the error appeared on your statement.
- At least three (3) business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Write us at the address shown above or telephone us at 303-689-7800 or 1-800-BELLCO -1 as soon as you can if you think your statement or receipt is wrong, or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after you receive the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 days to do this, we will recredit your account for the amount you think is in error so that you will have use of the money during the time it takes us to complete our investigation.
