

MARCH 2023

MOMS CLUB OF BROOMFIELD

Message from the President

By Mary Sethna

Last month, our chapter made 56 peanut butter and jelly sandwiches for Feed the Kids - Rockies, a Broomfield-based non-profit, which helps feed hungry families.

Jodi Cooper is the non-profit's founder, and she provides weekly opportunities to drop off food.

Special thanks to our members who donated items, helped make sandwiches and hosted the event!

We got into a groove, creating an assembly line as we spread peanut butter and jelly on bread and then packaged the sandwiches.

Check out some fun pics of our service project below.

Scroll down further to read an inspiring interview with Jodi and the latest Q&As from our new members!
