IMPORTANT ACCOUNT INFORMATION

We are updating the Deposit Account Agreement ("Agreement") dated May 28, 2021. Effective August 9, 2021, in the section of the Agreement titled "Closing Accounts," the subsection "Closing your account if the balance is zero" is deleted and replaced with the following:

Accounts with a zero balance will continue to be charged applicable fees (like the monthly service fee) until you request to close your account. We may close an account (except analyzed business accounts) with a zero balance on the fee period ending date or at month end without prior notification to you. Once an account is closed (either by you or us), no fees will be assessed on the account.
 - To prevent closure by us, an account with a zero balance must have a qualifying transaction posted within the last two months of the most recent fee period ending date. IOLTA and RETA accounts require a qualifying transaction within ten months of the most recent fee period ending date.

-
- Examples of qualifying transactions are deposits and withdrawals made at a branch, ATM, online, mobile, or via telephone; one-time and recurring transfers made at a branch, ATM, online, mobile, or via telephone; automatic or electronic deposits, such as from payroll or government benefits; automatic or electronic payments, including Bill Pay; one-time and recurring purchases or payments made using a card or mobile device; and checks paid from the account. IOLTA and RETA accounts are not eligible for ATM cards or debit cards.
 - Bank-originated transactions, like monthly service or other fees, are not considered qualifying transactions that will prevent closure of an account with a zero balance.

All other aspects of the Agreement remain the same. If there is a conflict between the updated language above and the Agreement, the updated language will control. The most recent Deposit Account Agreement and related addenda are located online at wellsfargo.com/online-banking/consumer-account-fees.

IMPORTANT ACCOUNT INFORMATION

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We are updating the Deposit Account Agreement ("Account Agreement") dated October 15, 2021. Effective February 15, 2022, the following applies to wire transfers transactions: the section titled "Funds Transfer Services" has revisions to the introductory paragraph, we added subsections titled "Funds Transfer Security Procedure" and "Rejecting a Funds Transfer Request", and the subsection titled "Your duty to report unauthorized or erroneous funds transfers" has been revised.

If you are enrolled in Wells Fargo Online®, Wells Fargo Business Online®, Wells Fargo Mobile®, or Wells Fargo Advisors® online services, you reviewed and accepted our Online Access Agreement ("OAA") when you enrolled in those services. We have added a new section 15(c) Transfers Security Procedures (Business Customers and Online Wire Transfers) to the OAA to provide more clarity regarding the security procedures that apply to certain online transactions and the various addenda agreements. The updated version of the OAA will go into effect on February 15, 2022.

No, you don't need to take any action. This notice is simply to let you know that certain terms in the Account Agreement and the OAA have been updated. Your continued use of your account and, if enrolled, in the above online services will be your acceptance

to these updated terms. Please review the Account Agreement and OAA, and only continue to use the above online services if you agree to all terms.

For more details, please access the Consumer Account Addenda at www.wellsfargo.com/online-banking/consumer-account-fees/ or the complete OAA at www.wellsfargo.com/online-banking/online-access-agreement/upcoming.

IMPORTANT ACCOUNT INFORMATION

Elimination of Returned Item (Non-sufficient Funds/NSF) Fee and Revised Daily Fee Limit: Under the terms of your Deposit Account Agreement, when certain transactions are presented for payment in an amount that is more than your available balance, Wells Fargo may either (1) pay the item into overdraft at our discretion and assess an overdraft fee, or (2) return the item unpaid and assess a Returned item/Non-sufficient funds (NSF) fee.

Effective June 1, 2022, we will no longer charge an NSF fee on items we return unpaid due to non-sufficient funds. Overdraft fees will continue to apply to items we pay into overdraft at our discretion, under the terms of your Deposit Account Agreement (up to a maximum of four fees per business day for business accounts). These changes do not impact fees that may be assessed by third parties or other banks for returned items.

For current versions of your Deposit Account Agreement, Business Account Fee and Information Schedule, and applicable addenda, please visit wellsfargo.com/biz/fee-information/.

To learn more about tools that Wells Fargo offers to help you avoid overdraft fees, visit wellsfargo.com/biz/help/faqs/overdraft-services, speak with a local banker, or call the phone number on the top of your statement.

Elimination of Overdraft Protection transfer/advance fee(s): Under the terms of your Deposit Account Agreement, we offer an optional Overdraft Protection service for checking accounts that allows you to link up to two eligible accounts (one savings, one credit) to authorize or pay transactions when you don't have enough money in your checking account. Transfers and advances of funds from these linked accounts may result in an Overdraft Protection transfer or advance fee.

Effective June 1, 2022, we will no longer charge transfer or advance fees for transfers/advances from accounts linked for Overdraft Protection. For advances from a linked credit card or line of credit account, interest will continue to accrue from the date of each advance. Overdraft fees will continue to apply to items we pay into overdraft that are not covered by transfers/advances from your linked account(s).

IMPORTANT ACCOUNT INFORMATION

We are updating the Deposit Account Agreement ("Agreement") dated May 28, 2021. Effective August 9, 2021, in the section of the Agreement titled "Closing Accounts," the subsection "Closing your account if the balance is zero" is deleted and replaced with the following:

Accounts with a zero balance will continue to be charged applicable fees (like the monthly service fee) until you request to close your account. We may close an account (except analyzed business accounts) with a zero balance on the fee period ending date or at month end without prior notification to you. Once an account is closed (either by you or us), no fees will be assessed on the account.
 - To prevent closure by us, an account with a zero balance must have a qualifying transaction posted within the last two months of the most recent fee period ending date. IOLTA and RETA accounts require a qualifying transaction within ten months of the most recent fee period ending date.

-
- Examples of qualifying transactions are deposits and withdrawals made at a branch, ATM, online, mobile, or via telephone; one-time and recurring transfers made at a branch, ATM, online, mobile, or via telephone; automatic or electronic deposits, such as from payroll or government benefits; automatic or electronic payments, including Bill Pay; one-time and recurring purchases or payments made using a card or mobile device; and checks paid from the account. IOLTA and RETA accounts are not eligible for ATM cards or debit cards.
 - Bank-originated transactions, like monthly service or other fees, are not considered qualifying transactions that will prevent closure of an account with a zero balance.

All other aspects of the Agreement remain the same. If there is a conflict between the updated language above and the Agreement, the updated language will control. The most recent Deposit Account Agreement and related addenda are located online at wellsfargo.com/online-banking/consumer-account-fees.

Thank you for banking with Wells Fargo. We appreciate your business.

IMPORTANT ACCOUNT INFORMATION

We are updating the Deposit Account Agreement ("Agreement") dated May 28, 2021. Effective August 9, 2021, in the section of the Agreement titled "Closing Accounts," the subsection "Closing your account if the balance is zero" is deleted and replaced with the following:

Accounts with a zero balance will continue to be charged applicable fees (like the monthly service fee) until you request to close your account. We may close an account (except analyzed business accounts) with a zero balance on the fee period ending date or at month end without prior notification to you. Once an account is closed (either by you or us), no fees will be assessed on the account.
 - To prevent closure by us, an account with a zero balance must have a qualifying transaction posted within the last two months of the most recent fee period ending date. IOLTA and RETA accounts require a qualifying transaction within ten months of the most recent fee period ending date.

-
- Examples of qualifying transactions are deposits and withdrawals made at a branch, ATM, online, mobile, or via telephone; one-time and recurring transfers made at a branch, ATM, online, mobile, or via telephone; automatic or electronic deposits, such as from payroll or government benefits; automatic or electronic payments, including Bill Pay; one-time and recurring purchases or payments made using a card or mobile device; and checks paid from the account. IOLTA and RETA accounts are not eligible for ATM cards or debit cards.
 - Bank-originated transactions, like monthly service or other fees, are not considered qualifying transactions that will prevent closure of an account with a zero balance.

All other aspects of the Agreement remain the same. If there is a conflict between the updated language above and the Agreement, the updated language will control. The most recent Deposit Account Agreement and related addenda are located online at wellsfargo.com/online-banking/consumer-account-fees.

IMPORTANT ACCOUNT INFORMATION

Elimination of Returned Item (Non-sufficient Funds/NSF) Fee and Revised Daily Fee Limit: Under the terms of your Deposit Account Agreement, when certain transactions are presented for payment in an amount that is more than your available balance, Wells Fargo may either (1) pay the item into overdraft at our discretion and assess an overdraft fee, or (2) return the item unpaid and assess a Returned item/Non-sufficient funds (NSF) fee.

Effective June 1, 2022, we will no longer charge an NSF fee on items we return unpaid due to non-sufficient funds. Overdraft fees will continue to apply to items we pay into overdraft at our discretion, under the terms of your Deposit Account Agreement (up to a maximum of four fees per business day for business accounts). These changes do not impact fees that may be assessed by third parties or other banks for returned items.

For current versions of your Deposit Account Agreement, Business Account Fee and Information Schedule, and applicable addenda, please visit wellsfargo.com/biz/fee-information/.

To learn more about tools that Wells Fargo offers to help you avoid overdraft fees, visit wellsfargo.com/biz/help/faqs/overdraft-services, speak with a local banker, or call the phone number on the top of your statement.

Elimination of Overdraft Protection transfer/advance fee(s): Under the terms of your Deposit Account Agreement, we offer an optional Overdraft Protection service for checking accounts that allows you to link up to two eligible accounts (one savings, one credit) to authorize or pay transactions when you don't have enough money in your checking account. Transfers and advances of funds from these linked accounts may result in an Overdraft Protection transfer or advance fee.

Effective June 1, 2022, we will no longer charge transfer or advance fees for transfers/advances from accounts linked for Overdraft Protection. For advances from a linked credit card or line of credit account, interest will continue to accrue from the date of each advance. Overdraft fees will continue to apply to items we pay into overdraft that are not covered by transfers/advances from your linked account(s).

We reserve the right to close and/or charge-off your account at an earlier date, as permitted by law.
