MOMS CLUB HELPS LIBRARY PURCHASE NEW TABLETS

Submitted by Caren Tolleth

The MOMS Club of Long Hill recently organized a fundraiser for the Long Hill Township Library to purchase new tablets for the children's room. The club raised over \$1,150 for the library. The library will purchase numerous tablets that are appropriate for ages 3-10. Some of these may be checked out and others will remain in the library to be played with there.

The MOMS Club of Long Hill is a 501c3 non-profit

organization built around supporting other mothers in outown. The club runs numerous events such as playgroups playground meet ups, activities for children, mom's night out, crock pot swaps, trunk-or-treat, brunches, babysitted and preschool fairs, cookie exchanges and Easter egghunts.

During covid, many of the events were moved to be virtual but plans are underway to resume in person activities once it is safe to do so.
