IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone your branch of account as listed on first page of your bank statement or call 800-350-3557 or write to us at P.O. Box 131207 Carlsbad, California 92013-1207 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- · Tell us your name and account number (if any).
- Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information.
- · Tell the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days (20 business days for new accounts) to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

For foreign remittance transfers (foreign wires), you have a right to dispute errors in your transaction. If you think there is an error, contact your branch of account or the number below within 180 days from the date of the transfer. You can also contact any banking office for a written explanation of your rights.

If you want to verify whether or not a pre-authorized transfer was made, please call (800) 654-7962 at least one business day after the pre-authorized transfer should have been made so that we will have time to update our records before you call.

DORMANT ACCOUNTS

Checking and Savings accounts that have had no activity for twenty-four (24) months, unless the depositor has been contacted, will be classified as Dormant Accounts. By law these accounts will be transferred to the State of California Controller's Office after three (3) years of inactivity if they are not reactivated or claimed by the depositor. To

reclaim funds transferred to the State, depositors, or their heirs, must request the funds from and present proof of ownership to: State of California, Controller's Office, Division of Unclaimed Property, P.O. Box 942850. Sacramento, California 94250-5873.

FUNDS AVAILABILITY POLICY

A hold for uncollected funds may be placed on funds deposited by check or similar instruments. This could delay your ability to withdraw such funds. The delay, if any, would not exceed the period of time permitted by law. For a complete copy of Pacific Western Bank's Funds Availability Policy, please contact any of our offices or write us at P.O. Box 131207 Carlsbad, CA 92013-1207.

IMPORTANT INFORMATION ABOUT YOUR CREDIT PLAN

Balance Subject to Interest Rate – We figure the Interest charge on your account by applying the periodic rate to the "daily balance" (including current transactions) of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances and other debits, and subtract any payments or other credits. This gives us the "daily balance".

WHAT TO DO IF YOU THINK YOU FIND A MISTAKE ON YOUR STATEMENT

If you think there is an error on your statement, write us at:

Pacific Western Bank P.O. Box 131207 Carlsbad, CA 92013-1207

In your letter give us the following information:

- Account information: your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Pacific Western Bank Credit and Debit Card Enhancements

We have recently enhanced all of our debit and credit cards* with a new look and new functionality. We wanted to take this opportunity to tell you about these exciting features and how you can use and benefit from them.

Contactless

Contactless cards provide you with a faster way to pay—securely and conveniently. Simply tap the card versus inserting it at any point of sale device displaying the contactless logo.

Mobile Wallets

Now you can load a PWB card into ApplePay®, GooglePay™, or Samsung Pay® for another great way to transact that is both secure and easy. Mobile wallets are accepted in-store and online by many vendors. Like the contactless card, simply hold your phone near a participating terminal to pay.

3D Secure

This new tool keeps accounts even more secure when transacting online. Some online transactions will require that you authenticate via a one-time passcode sent through email or text message to your phone.

New cards are being issued as contactless. Mobile wallets and 3D Secure are available now on all cards, new and existing. If you have any questions, need any assistence, or would like more information, please contact your branch or call us at 800.350.3557
