Other Wells Fargo Benefits

Our National Business Banking Center customer service number 1-800-CALL-WELLS (1-800-225-5935) hours of operation have temporarily changed to 7:00 a.m. to 11:00 p.m. Eastern Time, Monday through Saturday and Sunday 9:00 a.m. to 10:00 p.m. Eastern Time. Access to our automated banking system, the ability to report a fraud claim on your business credit or debit card, and access to report a lost or stolen business card will continue to be available 24 hours a day, 7 days per week. Thank you for banking with Wells Fargo. We appreciate your business.

Effective September 15, 2022, we are replacing the following paragraph in the "Special rules for new accounts" section of the Availability of Funds Policy in our Deposit Account Agreement:

The first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks, and U.S. Postal Service money orders made payable to you will be available on the first business day after the day of your deposit.

The new paragraph is as follows:

The first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks, and U.S. Postal Service money orders made payable to you will be available on the first business day after the day of your deposit, if your deposit meets certain conditions. For example, the checks must be payable to you. If your deposit of these checks (other than U.S. Treasury checks) is not made in person to one of our employees, the first \$5,525 may not be available until the second business day after the day of your deposit.

Elimination of Returned Item (Non-sufficient Funds/NSF) Fee and Revised Daily Fee Limit: Under the terms of your Deposit Account Agreement, when certain transactions are presented for payment in an amount that is more than your available balance, Wells Fargo may either (1) pay the item into overdraft at our discretion and assess an overdraft fee, or (2) return the item unpaid and assess a Returned item/Non-sufficient funds (NSF) fee.

Effective June 1, 2022, we will no longer charge an NSF fee on items we return unpaid due to non-sufficient funds. Overdraft fees will continue to apply to items we pay into overdraft at our discretion, under the terms of your Deposit Account Agreement (up to a maximum of four fees per business day for business accounts). These changes do not impact fees that may be assessed by third parties or other banks for returned items.

For current versions of your Deposit Account Agreement, Business Account Fee and Information Schedule, and applicable addenda, please visit wellsfargo.com/biz/fee-information/.

To learn more about tools that Wells Fargo offers to help you avoid overdraft fees, visit wellsfargo.com/biz/help/faqs/overdraft-services, speak with a local banker, or call the phone number on the top of your statement.

Elimination of Overdraft Protection transfer/advance fee(s): Under the terms of your Deposit Account Agreement, we offer an optional Overdraft Protection service for checking accounts that allows you to link up to two eligible accounts (one savings, one credit) to authorize or pay transactions when you don't have enough money in your checking account. Transfers and advances of funds from these linked accounts may result in an Overdraft Protection transfer or advance fee.

Effective June 1, 2022, we will no longer charge transfer or advance fees for transfers/advances from accounts linked for Overdraft Protection. For advances from a linked credit card or line of credit account, interest will continue to accrue from the date of each advance. Overdraft fees will continue to apply to items we pay into overdraft that are not covered by transfers/advances from your linked account(s).

ATM Check Deposit Limit

Effective March 15, 2023, we are changing the following paragraph in the "Our right to decline deposits" subsection within the "Depositing Funds" section of the Deposit Account Agreement:

We may decline all or part of a deposit, including cash, for any reason. This could happen, for example, if a payee isn't a co-owner, authorized signer, or authorized representative on your account, we can't verify an endorsement, the check was issued from a credit account, the dollar amount of the deposit, the check looks suspicious, or it's a non-U.S. item. If we decline a deposit that you mailed to us, we may return it to you at your cost (including charging you for postage and handling to return foreign currency coin or paper), or retain any invalid checks or other documents included in the deposit without crediting your account, at our discretion.

The new paragraph is as follows:

We may decline all or part of a deposit, including cash, for any reason. This could happen, for example, if a payee isn't a co-owner, authorized signer, or authorized representative on your account, we can't verify an endorsement, the check was issued from a credit account, the dollar amount of the deposit, the check looks suspicious, or it's a non-U.S. item. If we decline a deposit that you mailed to us, we may return it to you at your cost (including charging you for postage and handling to return foreign currency coin or paper), or retain any invalid checks or other documents included in the deposit without crediting your account, at our discretion. There are limits on the total dollar amount of checks that can be deposited at Wells Fargo ATMs per transaction. We may decline check deposits that exceed \$1 million.

Effective January 31, 2023, in the section of your Deposit Account Agreement ("Agreement") titled "Available Balance, Posting Transactions, and Overdraft", under the subsection "How we process and post transactions to your account", the section titled "Step 2: we sort your transactions into categories" is deleted and replaced with the following:

Step 2: we sort your transactions into categories

- We credit deposits received before the cutoff time.
- We subtract withdrawals and payments we have previously authorized that we cannot return unpaid such as debit card purchases, ATM withdrawals, account transfers, Bill Pay transactions, and teller-cashed checks. Transactions are generally sorted by date and time the transaction was conducted or, for some transactions, the day we receive it for payment, or the time assigned by our system. If date and time are the same, we post from lowest to highest dollar amount.
- We pay your checks and preauthorized ACH payments, such as electronic payments you have authorized a company to withdraw using your account and routing number. Transactions are generally sorted by date and time received by the Bank, and if date and time are the same, we post from lowest to highest dollar amount. Merchant-issued payment card transactions (e.g., an ACH payment associated with a purchase you made using a store-issued debit card) post after all other transactions in this category.

Determining Date and Time

- Cutoff time is based on the location where the deposit or transfer was made.
- For debit card transactions, if we do not have date and time information, we use the day we receive it for payment from the merchant.
- For some transactions, such as Bill Pay or teller-cashed checks, a different time may be assigned by our systems.

NEW YORK CITY CUSTOMERS ONLY -- Pursuant to New York City regulations, we request that you contact us at 1-800-TO WELLS (1-800-869-3557) to share your language preference.

Tax Season Reminder: Wells Fargo delivers tax documents - either by mail or online depending on your delivery preference - no later than January 31 or by the IRS deadline of February 15 for brokerage accounts.
