FOR CONSUMER ACCOUNTS ONLY- IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Call or write us at the telephone number or address listed on the front of your statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information
- (3) Tell us the dollar amount of the suspected error.

If you tell us verbally, we may require that you send us your complaint or question in writing within 10 business days. We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly.

If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you believe is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account the amount you think is in error.

If we decide that there was no error, we will send you a written explanation within 3 business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

THIS INFORMATION PERTAINS TO YOUR CASH RESERVE ACCOUNT DISCLOSURES REQUIRED BY FEDERAL LAW

The FINANCE CHARGE is figured on an average daily balance method including current transactions.

We figure the **FINANCE CHARGE** on your account by applying the periodic rate (as noted on face) to the "average daily balance" (identified as balance on which finance charge is computed) of your account (including current transactions). To get the "average daily balance" we take the beginning balance of your account each day, add any new advances/loans, and subtract any payments or credits, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance".

Payments should be made on or before the due date shown on this statement. A LATE CHARGE OF 5% or \$5.00, whichever is the lesser, shall be applied on the amount of the payment in default fifteen (15) days or more. No more than one late charge shall be made on any one payment in arrears. Life Insurance if requested will be charged at .69¢ per \$1,000.00 of average balance outstanding per month. The Life Insurance charge will be calculated as part of the periodic rate as noted on the face of this statement.

IN CASE OF ERROR OR INQUIRIES ABOUT YOUR BILL

Send your inquiries in writing so that we receive it within 60 days after the bill was mailed to you. Your written inquiry must include:

- 1. Your name and account number
- 2. A description of the error and why (to the extent you can explain) you believe it is an error; and
- 3. The dollar amount of the suspected error.

You remain obligated to pay the parts of your bill not in dispute, but you do not have to pay any amount in dispute during the time we are resolving the dispute. During that same time we may not take any action to collect disputed amounts as delinquent.

This is a summary of your rights. A full statement of your rights and our responsibilities under the Federal Fair Credit Act will be sent to you both upon request and in response to a billing error notice.
