Box 2905, Baxter, MN 56425 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. HOW YOUR FINANCE CHARGE IS CALCULATED:

The FINANCE CHARGE is determined for each day by applying a daily periodic rate ("Daily Periodic Rate") to the Account Balance for that day; the Daily Periodic Rate is 1/365th of the ANNUAL PERCENTAGE RATE applicable to that day. The total FINANCE CHARGE for each Billing Cycle is determined by adding together the FINANCE CHARGE for the actual number of days during the Billing Cycle.

PAYMENTS:

The minimum periodic payment required is shown on the front of this statement. Payments shall be applied first to any unpaid FINANCE CHARGES, and second, to the principal loan balance outstanding in your loan account. You may payoff your loan account balance at any time, or make voluntary additional payments. Send payments and inquiries to the address shown on the bottom of this statement. Payments received after the close of business shall be deemed received on the following business day for the purposes of crediting your account. Business days are Monday through Friday, excluding Federal Holidays.
